

TRANSACTIONAL GENERAL LIABILITY

At Skyward Specialty, we are 100% dedicated to serving wholesale partners through a limited distribution model built on trust, responsiveness, and underwriting expertise.

Our Transactional General Liability team specializes in hard-to-place risks across the E&S market, targeting small businesses within our well-defined risk appetite. With a commitment to 24-hour turnaround on near-term accounts, we deliver timely, practical solutions that help you win more business—faster. Partner with a carrier who knows your world—and works at your speed.
