

CANNABIS COVERAGE

The U.S. legal cannabis market is flourishing. As more states legalize medical and recreational marijuana use, the need for specialized coverage continues to grow. Cannabis coverage through Skyward Specialty can help your clients manage the unique risks associated with cannabis-related businesses.

We have a strong appetite for E&O targeted policies that can be tailored across multiple coverage classes. The cannabis market presents complex, evolving exposures that require a knowledgeable partner – and that’s where Skyward Specialty stands apart. Our team of experts is equipped to provide exceptional coverage and the hands-on support your clients need to navigate this dynamic industry with confidence.
