

Reference Based Pricing

Experienced Carrier | Innovative Underwriting | Tailored Solutions

THE SAME DESTINATION. DIFFERENT STRATEGIES TO GET THERE.

Which route would you choose?

In stop-loss insurance, we all have the same destination. Why not travel with guides who know the itineraries?

Reference Based Pricing from Skyward Accident & Health provides your plans cost-savings, predictability, convenience and flexibility without the run-around of a traditional PPO plan.

Partnerships With RBP Vendors

Skyward A&H has preferred status with leading Reference Based Pricing vendors.

Successful Underwriting Platform

Our underwriting platform allows for concise evaluation of Reference Based Pricing risk.

Customized Policy Language

Our Policy Language was developed to coordinate with the needs of the Employer's Plan Document.

Favorable Employer Plan Performance

Skyward A&H has an experienced RBP block of business with a history of favorable performance for plan sponsors.

Reputation

We have built successful, long-standing TPA and broker relationships as a result of the solid reputation of our seasoned industry veterans.
